Dear Potential Pledge,

I am participating in this year's Ride to Provide by Highway to Healing and Double-O-Bikes. All proceeds will help fund Oliver's families during medical emergencies. I am reaching out to those unable to attend this year's event, and you can sponsor me for any amount you'd like. Please make checks out to **Highway to Healing Support Society**. All donations above \$20 will receive a tax credit for the charitable donation, if desired.

Thank you!
